Changes to Safeguarding processes. As a Church we have a responsibility to ensure that all those who undertake work in the name of the Church are adequately trained in safeguarding matters. Nationally, there are new expectations that all volunteers complete safeguarding training every 3 years and as a diocese and parish, it is our role to adhere to this requirement. All new volunteers are expected to have completed the new safeguarding training PRIOR to their commencement in role. All existing volunteers will be expected to have completed the training before the point of their next DBS renewal. You can do this at any point before your DBS renewal. This is a mandatory requirement and non-negotiable, however, there are many benefits of increased understanding and confidence around safeguarding. Lorraine, our Parish Safeguarding Representative, will guide you through the process and hopefully make it as straightforward as possible. If you have any questions, please do not hesitate to contact Lorraine in the parish office.

A Time to Listen. "There is a need and duty for us to listen to those who have been hurt by abuse and are suffering. It is humbling for me as the Bishop to listen to victims and survivors. We know the devastation which abuse has on someone's life". *Bishop David Oakley* Bishop David is available to meet with anyone affected by abuse, as a victim, survivor, their families or supporters, where private discussions can take place in a safe and non-judgmental environment. These meetings can be arranged at a location of your choice and you are also welcome to be accompanied by a support person. Contact Danielle, our Safeguarding Coordinator on 01604 723514 or safeguarding@northamptondiocese.org Support is offered before, during and after appointments.
