CAFOD – DEC Venezuela Earthquake appeal. The UN estimates that millions of people have been affected by the disaster. Thousands of people have been killed, and the death toll continues to rise. Many more people are still missing. Hospitals are under extreme pressure as they treat large numbers of injured people. People in Venezuela were already struggling with basic needs and services, especially healthcare, before the earthquakes. Since the earthquakes struck last week, our partner, Caritas Venezuela has been supporting people who have lost their homes and accompanying those affected by this tragedy with practical help and compassion. With CAFOD joining with the DEC's appeal, we also reach the wider public in the UK to raise funds to respond to the growing needs in Venezuela in the days, weeks and months ahead. Thank you for keeping the people of Venezuela in your prayers and thank you for your ongoing support for CAFOD's work.
